What are the rules for what I can and can't post?

1. No Advertising: Please do NOT post any product endorsements, suggest certain retailers, or advertise any goods or services on the USGBC South Florida Chapter's social-media network. As a nonprofit organization, we are in the education and advocacy business, not the retail business.

2. Use Proper Grammar and Spelling: The rules for posting on social-media sites are more relaxed than most other mediums; however, the lack of proper spelling, punctuation or grammar immediately makes the site look uninviting for further growth.
3. Be Creative and Engaging: Social-media pages for nonprofits or businesses are an extension of their website, sales or marketing engines. While this definitely has a place in the social-media sphere, it should not be the only thing that shows up on our sites. Whenever possible, please try to jazz up your posts with links to interesting articles that build upon your idea, captivating videos, or blog posts that further explain what you're trying to get across. A dab of creativity in each post goes a long way!
4. Encourage Interaction: Social media should not be a one-way conversation. If people aren't commenting on posts, liking links and videos, or posting their own thoughts and ideas on your post, we're not getting the full potential out of the platform. Remember to ask questions, come up with trivia or FAQs, or link to other posts that will start conversations on our Chapter's page. The more interaction, the better! Tag other people in your posts, tag pictures you upload, and encourage people to comment.

Thanks for your participation in helping spread the word about the USGBC South Florida Chapter, the USGBC, and this amazing transformative movement! If you have questions regarding the Chapter or if you would like to join our volunteer family, email info@usgbcsf.org.
